### **ORDER:**

During the Budget Session, while moving the Demand for Environment, Climate Change for the year 2021-2022 on 03.09.2021, the Hon'ble Minister of Environment, Climate Change and Youth Welfare and Sports Development Department among other things has made the following Announcement: -

"சுற்றுச்சூழல் தொடர்பான செயல்பாடுகளில் இனைய தலைமுறை மற்றும் மாணவர்களை ஈர்க்கும் வண்ணம் காலநிலைமாற்றம் குறித்த விழிப்புணர்வை பற்புவதற்கும், இயற்கையைப் பாதுகாக்கும் விதமாக காலநிலை மாற்றத்தால் ஏற்படும் பாதிப்புகளை குறைக்கும் நோக்கத்துடன் புதிய பசுமைத் திட்டங்களைக் கண்டறிவதற்கும், எனிய தொழில்நுட்ப வழிமுறைகளை உருவாக்கவும், மாண்புமிகு முதலமைச்சரின் பசுமை புத்தாய்வு திட்டம்' (Green Fellowship Programme) தமிழ்நாட்டில் உள்ள 38 மாவட்டங்களில் செயல்படுத்தப்படும், இத்திட்டத்தின்படி சுற்றுச்சூழல்நலனில் அக்கறை கொண்ட தகுதியுடைய நபர்கள் தேர்ந்தெடுக்கப்பட்டு, அவர்கள் மாவட்ட ஆட்சியர்களுடன் ஒன்றியணைந்து, அம்மாவட்டத்தின் பசுமைக் கனவுகளை நிறைவேற்ற உதவிகரமாக இருப்பார்கள்".

2. In the Government order 1<sup>st</sup> read above, administrative sanction was accorded for implementation of Chief Minister's Green Fellowship Programme (CMGFP) in 38 Districts of Tamil Nadu for two years from April 2022 at a total cost of Rs.6,00,00,000/- (Rupees Six Crore Only) from the available fund of Environmental Management Agency of Tamil Nadu (EMAT) of Department of Environment and Climate Change (DoE&CC).

3. In the Government order 2<sup>nd</sup> read above orders were issued sanctioning an amount of Rs. 35.68 Crore, for carrying out 11 activities under the Tamil Nadu Climate Change Mission for the year 2024-25 and one among the activities was the Chief Minister's Green Fellowship Programme at an estimated cost of Rs.4.85 Crore.

4. In the letter 3<sup>rd</sup> read above, the Director, Department of Environment and Climate Change, has sent the proposal for engaging the next batch of Chief Minister's Green Fellows from July 2025 to June 2027 and requested for sanction of an amount of Rs.9,06,54,810/- [Rupees Nine Crore Six Lakh Fifty-Four Thousand Eight Hundred and Ten only]. The details of the Chief Minister's Green Fellowship Programme are as follows: -

## **1. Introduction**

The future of India belongs to the youth of today. The Tamil Nadu Government, through the CMGFP, seeks to identify, nurture and mentor passionate young leaders on a wide range of issues concerning the environment. As a pioneering initiative of Government of Tamil Nadu, the Department of Environment and Climate Change is implementing the Tamil Nadu Chief Minister's Green Fellowship programme (CMGFP) for the financial year 2023 - 2025. The first batch of the Green Fellows joined the program from Aug 2023 onwards and are contributing towards the objectives of the programme. As a continuation of this, the proposal for the next batch from July, 2025 for the financial year 2025-2027 has been prepared.

The programme will be housed under the Department of Environment and Climate Change. The Director, Department of Environment and Climate Change will be the Nodal Officer for planning, coordination, supervision and monitoring of all aspects of the CMGFP.

## **2. Vision**

CMGFP envisions creating and nurturing a cadre of environmentally thoughtful, passionate, well-trained and process-driven future leaders of the world.

## **3. Objectives of Chief Minister's Green Fellowship Programme**

The major objectives of the programme are to:

- Take leadership as India's foremost environmentally progressive State, espousing the trinity of jobs, growth and environmental sustainability.
- Engage passionate young people meaningfully in governance and administration of environmental policy design and implementation.

- Support District Administration across Tamil Nadu in better delivery of environmental services.
- Create robust institutional systems and processes for environmental policy management and set a benchmark worthy of emulation in other regions.
- Create an institutional repository of knowledge on environmental issues through rigorous research and analysis.

#### **4. CMGFP Programme details**

Tamil Nadu Government has been at the forefront to tackle environmental issues for a safe and secure future of its citizens, especially the future generation.

The Chief Minister's Green Fellowship Programme is an exciting opportunity for young people to work directly with the State Government and the District Administration of Tamil Nadu.

The fellowship shall provide a deep insight into the environment related initiatives including the following:

- A first-hand experience of how the Government machinery works
- A unique opportunity to participate in the policymaking and implementation process at the district level.
- Create environmental impact for local communities and upscale it.
- Opportunity to present ideas to senior Government officials and experts from the field of Climate Change & Environmental policy.
- Network and interact with leading experts from the Government, civil society organizations, academic institutions and industry experts.

##### **4.1 Role of Green fellows**

1. To assist the District Administration on all subjects that fall within the scope of the Department of Environment, Climate Change & Forests, Government of Tamil Nadu and identify gaps in implementation.
2. Support the District Administration in the implementation of the Mission mode projects of the Government of Tamil Nadu *viz.*, Green Tamil Nadu Mission, Tamil Nadu Climate Change Mission, Tamil Nadu Wetlands Mission and Tamil Nadu Coastal Restoration Mission / TN-SHORE.
3. Coordinate the District Green Committee, District Climate Change Mission Unit, District Green Tamil Nadu Committee, Wetland committee and District Coastal Zone Management Committee in the district level to accelerate implementation and improve the effectiveness of environmental governance at the district level.
4. Support the District Administration in effective implementation of plastic ban and encourage "Meendum Manjappai" initiative, Massive Plastic Collection Drive & promote eco-alternatives.
5. Research best practices adopted by other districts, states and countries on matters pertaining to environment and climate change and assess the

feasibility of implementing them within the district's context and share the learnings with other district Green Fellows.

6. Raise environmental and climate change awareness among the public, students, government officials and other stakeholders across the state.

They will be allocated responsibilities as per the requirements that may arise from time to time.

## 5. Selection Procedure

Selection of fellows shall be done through an online selection process. This Fellowship is a temporary position and it does not confer upon the fellow any right / claim for regular appointment or continuance in any post.

## 6. Eligibility Criteria & Renumeration

#### **7. Number of positions**

Programme lead	:	1 No.
Research Associates	:	5 Nos.
Green Fellows	:	38 Nos. (One per district)

### **8. Tenure**

Chief Minister's Green Fellowship Programme is a full-time commitment for two years from the date of joining.

### **9. Office Facilities**

The Program Lead and Research Associates (PMU CMGFP) will be seated at DoE&CC. The Green Fellows will be seated at District Collector office in the District Climate Change Mission unit. The Department of Environment and Climate Change, Government of Tamil Nadu, will provide a laptop for working and other facilities will be offered by the Chairperson, District Climate Change Mission in each district such as printing, stationery etc., for the operation of the Scheme.

### **10. Training and Induction**

The Green Fellows shall go through a mandatory residential training programme organized by Department of Environment and Climate Change in coordination with the Knowledge Partner. The training programme will include sessions on understanding Governmental systems and structures, analysing laws and policies, effective communication and writing, working with local communities, field visit among others.

### **11. Allocation of District**

Each Green Fellow will be assigned to one District in the State of Tamil Nadu. Candidates may indicate preferred choice of district with reasons in the application form. Based on merit of the candidate, the candidate will be assigned the district, no change in the district between the Green Fellows will be allowed during the course of the programme. However, under exceptional circumstances, the Department of Environment and Climate Change (DoECC) reserves the right to review and make changes to district allocation at its discretion.

### **12. Reporting Structure**

While all Green Fellows will work directly under the supervision of the District Collector, a designated official from the Department of Environment & Climate Change will be the 'Nodal contact person' for all administrative matters.

The Green Fellows should submit their weekly reports to the concerned Research Associates and Programme Lead. The Programme Lead will report to the Director, Department of Environment and Climate Change through nodal officer appointed by Director, Department of Environment Climate Change.

### **13. Capacity Building / Knowledge Series Training Workshop**

The Green Fellows will be exposed to capacity building workshops / training on various subjects related to the Environment. These could be virtual / in-person sessions with Government officials/experts with deep sectoral

knowledge. At the end of each session, a report with context to the district has to be submitted to the Program Lead.

#### **14. Knowledge Partner**

To ideate and execute various aspects of the Chief Ministers' Green Fellowship programme, a knowledge partner shall be selected. Knowledge partner shall sign a Memorandum of Understanding with the Director, Department of Environment and Climate Change for the following activities:

- Ideating and designing the recruitment, selection, training and orientation and mentoring of Green Fellows.
- Designing and executing capacity building workshops and sessions during the course of the fellowship.
- Other activities to improve performance of the Green Fellows shall be decided from time to time.

#### **15. Key Result Areas (KRAs)**

Fellows shall be required to work under the following KRAs:

- Creation and submission of a district-level body of knowledge on areas related to Environment.
- Increase in citizen engagement and participation on all policy interventions.
- Improved response time from the district administration to address environmental issues
- Improved use of technological tools for reporting and delivery of environmental services.

#### **16. Expected Outcome:**

- Preparation of Reports for some of the major initiatives such as Climate Resilient Villages, Knowledge Series, Literacy Programmes, Awareness and IEC Activities etc., and other Monthly work plan activities as instructed by the Department of Environment and Climate Change.
- Conduct environment and climate change awareness and capacity building training programmes to public, students, government officials etc
- Ensure smooth co-ordination and successful implementation of Green School Scheme within the stipulated time.
- To assist Tamil Nadu Wetland Mission in Ground truthing of the wetlands and restoration of such wetlands in districts.
- To co-ordinate with the Green Tamil Nadu Mission activities and assist the District Administration in the achieving the target of green cover.

#### **17. Feedback**

Director, Department of Environment and Climate Change or committee nominated by the Director, DoE&CC shall assess the work done by the Green Fellows in respect of reports sent by them. The KRA meetings

shall take place individually with each Green Fellows once in three months or as and when required.

### **18. Performance Appraisal**

Apart from the regular feedback sessions, the performance of Green Fellows will be assessed once in three months by the Department of Environment and Climate Change based on the work output produced and soft skills exhibited during the period in online mode. A performance appraisal form containing detailed attributes to quantitatively and qualitatively performance of the Green Fellow shall be circulated to the direct supervisor/ Nodal contact person in the district. A half yearly review meeting would be conducted in person.

### **19. Grievance Redressal**

The District Collector and the nodal contact person will serve as the first and second points of contact to report any grievance.

### **20. Certification**

1. Upon successfully completing the CMGFP, Green Fellows would receive a certificate of completion from Department of Environment and Climate Change.
2. A diploma would be awarded to the Green fellows upon successful completion of the course. The course module and the performance assessment strategy would be developed by the Knowledge Partner with inputs from Department of Environment and Climate Change.

### **21. Leave policy**

Programme Lead, Research Associates and Green Fellows shall be allowed to avail one-day leave per month, subject to prior permission from both the immediate supervisor and the Nodal contact person. This leave is besides weekends and National holidays. Leave is liable to be cancelled in the event of urgent situations demanding their presence. No other leave will be entertained during the fellowship period.

### **22. Copyright**

The Department of Environment and Climate Change, Government of Tamil Nadu, shall hold the copyright to all the publications / reports / research papers prepared and/or published by the Green Fellows / Associates. Further, no information or data collected / prepared by the Fellows / Associates shall be shared with external agencies without the prior approval and permission from the Director, DoE&CC.

### **23. Agreement and Notice period**

Program lead, Research Associates and Green Fellows must successfully complete at least one year of programme. They will not be allowed to quit fellowship midway except for reason i.e., securing Government Jobs, Maternity, Marriage and Critical Medical issues with two-month notice period.

No Fellow would be permitted to discontinue the fellowship programme during the last six months of the fellowship programme.

Two-month prior notice by the Green Fellows / Associates is required for early termination of the contract, failing which the Fellow / Associate will be liable to refund one month's stipend. Taking Leave during the notice period will not be entertained. The appointing officer is entitled to relieve the candidates at any point of time during the notice period.

#### **24. Termination**

The Contract of the Green Fellows may be terminated for the following reasons:

- Failure to join the programme on the official date of joining or any unauthorized absence of leave for more than two consecutive days.
- If at a later stage, it is known that the candidate has secured the Fellowship by misrepresenting or suppressing any fact.
- If found to be responsible for any act of indiscipline or misconduct.
- If the performance appraisal is less than 50% for two consecutive review period.

#### **25. Financial Implication**

The Budget requirements for the Chief Minister's Green Fellowship Programme for two years (July 2025 – June 2027) period is **Rs. 9,06,54,810/- (Rupees Nine Crore Six Lakh Fifty-Four Thousand Eight Hundred and Ten only).**
